You've arrived at our fair city on the river— now where do you go from here? This handy block-by-block guide will help you navigate your way around town— where you'll be able to enjoy a seemingly endless array of unique, independently-owned shops; one-of-a-kind dining experiences; architectural treasures representing centuries of distinct building styles; and accommodations where you'll be able to spend the night in style.

Hudson's compact shopping district makes it eminently walkable, and its grid layout is easy to navigate. Discover for yourself everything Hudson has to offer and leave feeling inspired.

Whether it's your first time visiting, or you're returning to us after some time away, we couldn't be happier to see you.

DID YOU KNOW?

The Society to Promote Our Unique Town (SPOUT) was a civic organization that operated in Hudson for over 20 years. As the final phase of the city's urban renewal efforts, SPOUT focused on economic revitalization—particularly supporting struggling businesses on Warren Street that were losing retail traffic due to deteriorating conditions in the city and increased competition from strip malls on nearby Fairview Avenue in Greenport. As a result of those efforts, Warren St and Hudson's downtown business district continues to thrive.
